

Grants specifically for Autism Spectrum Disorder

www.4ahealingfoundation.org - biomedical

www.aacfinc.org Aid for Autistic Children Foundation, Inc.™ has only one mission: reduce the financial burden on poor families and individuals coping with autism through debt relief, so they can focus their attention on creating a proper learning environment for their autistic loved one.

www.aboutprojectlam.com is strictly a fundraising foundation whose main function is to distribute money to families in Northwest Ohio and Southeast Michigan areas so they can have their children diagnosed, treated, and moving forward with living with Autism.

www.act-today.org/grants2.html

This organization does give grants to families, but the details are unclear from their website. It seems to be the case that they fund families with multiple autistic children first; then those with greater financial need.
