Over a dozen “stomping” teams

**WHAT:** United Way in Ottawa County (UWOC) is excited to host its annual “Great Grape Stomp,” bringing together the community to support UWOC’s ongoing health, education and financial stability work for residents in need.

Attendees can enjoy live music, a live and silent auction, interactive games with prizes and a Lucy / Desi look-alike contest. A variety of wines and snacks will also be available within Mon Ami.

The main attraction of the event features teams of four, who will competitively stomp grapes on Mon Ami’s outdoor stage. After each “stomping round,” teams will have their grape juice weighed, by the ounce, to determine who moves forward. There is still room for teams to register and individuals can do so, [here](#) – spectators are welcome.

**WHEN:** **Sunday, September 29, 2019**  
Noon – 6:00 p.m.

**WHERE:** Mon Ami Restaurant & Historic Winery  
3845 E. Wine Cellar Rd.
