United
Way

UNITED, WE THRIVE

Your joyful generosity, advocacy, and volunteerism propel community change.

“United Way’s dedication to empowering our community is what drives me to help in their work. Access to volunteer opportunities is a huge perk because it allows our staff to see where the UW is working and how we can help. By contributing, I know that I am going to see a direct impact.”

Luke Grable,
Directions Credit Union

More than 80 community volunteers drove our funding decisions this year.

Every dollar lifts up a network of organizations across Lucas, Ottawa, and Wood counties.

“United Way means the world to us and our organization. Through UW’s support, we have been able to serve the community in Toledo with rates for childcare that are low and affordable. Our programs are five-star sites that provide children with the skills that they need to be kindergarten ready. You support children directly by helping us receive the funds that make this high-quality learning center successful. Being a United Way partner has been life changing for us, and we are forever grateful for the opportunities that have been brought to us from being a partner.”

Julia Myers and Chelsea Davis,
Toledo Day Nursery
