LIVE UNITED, PURSUING INSPIRATION

Join us this fall for our annual "Pursuing Inspiration" fundraising program, featuring the one and only Toledo native, author, and TedX and national speaker, **McKenna Reitz!** This year, we are excited to not only feature McKenna, but also bring a new element to the event - a **Power of the Purse silent auction and raffle**. Wondering how you can get involved this year? Check out our sponsorship opportunities and find what fits best for you!

YOUR SUPPORT MAKES A DIFFERENCE

This year, UWGT WI is excited to share that all funds raised through our programs, including "Pursuing Inspiration," will be donated back to the local nonprofit organization, **Family & Childhood Abuse Prevention Center (FCAPC)**. FCAPC was founded in 1974 by local pediatrician, Dr. Bernard Cullen, and a small group of concerned citizens, who saw first hand the devastating effects of child abuse. Since then, the organization has evolved with dedicated professionals who work diligently to break the cycle of family violence. Led by CEO Christie Jenkins, FCAPC has offices in both Lucas and Ottawa counties and serves over 50,000 people each year.

The decision to support FCAPC was easy, given how many individuals they impact each year. It falls right in line with the mission of UWGT WI. The dollars raised through your sponsorships, the silent auction, and other opportunities throughout "Pursuing Inspiration" will make a direct impact on the lives of so many of our neighbors in need. We hope that you'll join us in pursuing inspiration to make a difference in our community!
